44 ELCHE INTERNATIONAL INDEPENDENT FILM FESTIVAL FROM JULY 16 TO 23, 2021 PAYMENT RULES AWARDS

The award winners of this edition have a period of no more than three months, from the communication of the decision by the Organization, to contact and process the payment of their award with it.

If the Organization is unable to establish contact within that period, the award will go to the next finalist according to the Jury's deliberations.

The awards will be paid through bank transfer, in principle, in favor of the natural or legal person who has made the registration as a participant in the contest, being subject to the withholdings and taxes that determine the current fiscal regulations and within a period not more than three months after the end of the Closing Ceremony.

The information requirements for all cases are as follows:

- The winner has to inform the Organization if he is going to charge as a natural person or his producer.
- In the event that the production company charges, you must provide a letter or email signed by him indicating that he agrees to the production company charging and exempting the Organization from any disagreement between the partners.
- The recipient of the award must provide an identity document or passport.
- The recipient of the award must provide an account number with all international codes: IBAN, BIC, etc.
- The recipient of the award must provide a document certified by the Tax Agency of the country where they have their tax residence.

Once this documentation has been received, after examination, the Organization will provide the recipient of the award with a draft of the invoice with the appropriate tax withholdings according to the case of the country where the recipient has tax residence.

- Lastly, the beneficiary will have to send said signed invoice to give their agreement to it.

- Once in its possession the invoice endorsed by the beneficiary, the Organization has a maximum period of three months to proceed with the bank transfer of the economic amount of the prize.

In the case of payment of the award by sponsors or public institutions, the Organization will put the winner in contact with them so that both parties can proceed to take the steps for payment and will also supervise said procedures.

The FICIE Organization will contact all the winners to indicate the payment conditions. The Organization undertakes to make the payment within a maximum of three months after having the corresponding information. If the Organization cannot establish contact with the winner / winners within that period, the amount of the award will revert to the Mediterráneo Foundation as the organizer of FICIE.

If the Organization cannot contact or has a postal address to properly deliver the trophies of the authors who did not come to collect them, they will be returned to the Mediterráneo Foundation.
